New partner in Scandinavia

Dear clients, partners and friends,

Today, on June 2nd 2008, Oy Beweship Group Ab and Cargo Partner Group AS have signed a Cooperation agreement. The cooperation will commence no later than on September 1st 2008.

Oy Beweship Group Ab will represent Cargo Partner AS in Finland, Russia and in the Baltic countries. Cargo Partner AS will represent Beweship in Norway, Sweden and Denmark. As a part of this transaction Oy Beweship Group Ab takes over the business of Oy Globex Transport Ab in Finland.

“We are very pleased at having reached an agreement with a company looking to strengthen its position further in the Nordic countries. It also means that we are able to offer our customers the best quality logistic solutions anywhere in the Nordic and Baltic countries,” says CEO at Cargo Partner Group AS, Konrad Kuhlman.

“Sweden, Norway and Denmark are important trading partners for Finland, and therefore also important traffic regions for Beweship and for our clients. I’m very pleased with the agreement we have concluded. We now have a partner who, just like us, focuses on service, growth and profitability”, says Bengt Westerholm, CEO at Oy Beweship Group Ab.

Oy Beweship Group Ab is a privately owned Finnish forwarding and transport company, founded in 1957. In 2008 the expected turnover is €75 Mio. In addition to its head office in Helsinki, Beweship has offices also in Tampere, Turku, Vaasa, Oulu, Jyväskylä, Joensuu and Vaalimaa. Beweship has daughter companies in Estonia, Latvia, Lithuania, Poland and Hungary.

Cargo Partner Group AS has a strong position in Norway, Sweden and Denmark and the company is looking forward to a turnover ca NOK 1.5 billions.
