New office in Vaasa

Dear clients, partners and friends,

Beweship is celebrating its 50th anniversary this year. During this year of celebration it is our pleasure to announce the opening of our new office in Vaasa, Finland on Wednesday 18th April 2007.

We are anticipating considerable growth and development in the market in the Vaasa region.

Ms. Tiina Haapala will act as Area Branch Manager. She has previous experience of the freight forwarding industry in the region and is specialized in project sales.

With this development we will be able to offer a top class service and meet the high demands and expectations of our clients and partners around the world.

If you have any questions, please give us a call or send us a message:
